

The Divine Plan for Your Life

The Divine Plan for Your Life

by Daniel Keeran, MSW

The following facts or truths have significant implications:

1. God exists.
2. A moral standard exists.
3. Humans have greater value than other life forms or inanimate objects.
4. Moral accountability exists in a venue after death.
5. Eternal conscious torment exists and is deserved by all who commit sin.
6. Yeshua of Nazareth is the Messiah foretold by chosen Hebrew men called prophets.
7. Yeshua's death was a substitutionary offering of his own divine life (as foretold), instead of my death and eternal condemnation for my sins.
8. Yeshua lived again a few days after his unjust execution and ascended into the sky from Mount Olives in Jerusalem, Israel.
9. Followers of Yeshua are immersed into Messiah and his death as a holiness pledge (see Romans 6) and are raised with Christ to live a holy life, following a period of moral self-reflection or repentance, and the confession of Yeshua's identity as the "Son of God."
10. The holiness of life is defined by the teachings of Yeshua and includes but is not limited to the love of neighbours in any trouble, enemies, and everyone in the world.
11. Suffering self-sacrifice is a requirement of being a follower of Yeshua.
12. Yeshua will return in the [same manner](#) as he went, and "Look, he is coming with the clouds," and "every eye shall see him, even those who pierced him"; and all peoples on earth "will mourn because of him." So shall it be! Amen.
13. A universal resurrection of the body at the return of the Messiah, is expected.
14. A final great Judgment of all living and dead people will happen at that time.
15. If the above propositions are true, we are left with a narrow course.

Multitudes who sleep in the dust of the earth will awake: some to everlasting life, others to shame and everlasting contempt.
