HE WILL SAVE US

"For the Lord is our judge, the Lord is our lawgiver, the Lord is our King; He will save us" (Isaiah 33:22).

"Judicial, legislative, executive," we say. Isn't that our envied American form of government? Obviously it is; and it is a copy of the Divine dominion.

True, the Romans had a similar program of administration, the British yet. But primarily God maintains control over man with His prototype management that involves every aspect of our supervision. Savior, too.

But check the other chief role of justice He plays in human affairs that may engross you - God the Son is our Advocate (I John 2:1). Our Helper, He, when we sin against the King, before the Judge, He is our Pleader who represents us as Counsel for the defense in God the King's court of justice.

We must get that: as Judge, Statute-maker, King, Advocate, all are for our salvation, "to save us" (Isaiah 33:22; I John 2:1).

And then! And then God Himself is the very payment required for our release from the death penalty each of us was to pay...and He Himself is the propitiation (what the King demanded in order that we be liberated) from our sins (I John 2:2).

The Judge always deals justly (Genesis 18:25); the law of the Divine Lawgiver provides happiness (Psalm 119:1); the King's ways are righteous and true (Revelation 15:3); the Advocate bleeds and pleads.

All for you, dear saved one. All for you.
